BRIEF EVENT REPORT

Important Messages/ Outcomes

The Literary Club was conducted by the college during December 2018-2019. On the 16th of July, 2018, Ganesar College of Arts and Science, Melasivapuri held a “ **Essay Writing : Become Better writer**”. The Competition was arranged for the entire department of the college by Mr.S.Kulandhaivel, President of the Literary club, Head of the Department in English and the committee members. Through essay writing competition, one wants to identify essay writing ability within the student population. Additionally, it functions as a scholarship for learners, easing the financial burden of their educational costs. An essay is a piece of writing that is written to convince someone of something or to simply inform the reader about a particular topic. In order for the reader to be convinced or adequately informed, the essay must include several important components to make it flow in a logical way. The more you write, the more you learn about yourself and your abilities as a writer. Not just that, you get to gain experience writing for contests. With more experience and learning writing techniques you will become better at writing contests and writing in general.
