1. It is resolved to implement & maintain the dress code and proper hair cut among the students.
2. The discipline to be maintained by the students of first year was discussed by the committee and it was decided to have awareness program during the induction program for first year students. All the members have agreed for the same.
3. During discussion it was opined that initially if a student commit any in-disciplinary action he/she should be warned. If the same mistake is committed by the student again then disciplinary action to be taken on the student depending on the misconduct. The disciplinary action should be such that it does not affect the career of the student.

As there were no other points chairman thanked the members. With this the meeting was formally concluded.
