1. In collaboration with local Police, a general awareness session on self defense was held for girls in response to the startling increase in crimes committed against women in public spaces. Three female police department trainers conducted the session.

2. International Women's Day was celebrated in a grand way on 8 March 2021. Students took part in various competitions such as debate, poetry recitation, drawing, rangoli and mime. Fun games also conducted to motivate them to take part in all the events.
