On  
“DEVELOPMENT OF ENTREPRENEUR  
GROWTH IN TAMIL NADU”**

**15<sup>th</sup> July 2022 @ 10.30 AM  
in  
Sanmarga Sabai Auditorium**

**Organised By**

**DEPARTMENT OF B.Com (BANK MANAGEMENT)**

**GANESAR COLLEGE OF ARTS AND SCIENCE**

*UGC Recognized 2(f) and 12(B) Institution*

*(Affiliated to Bharathidasan University)*

**Melasivapuri – 622 403, Ponnamaravathi, Tamil Nadu,  
India**

**ABOUT THE COLLEGE**

Success is assured by the right choice of an educational institution. The spirit of the institution has the power to influence the personality of the learner. A sound institution alone can give a sound knowledge to the students. That is why very few institutions alone can stand the test of time. Ganesar College of Arts & Science, Melasivapuri, has been a radiant star shining in the firmament of education since 1909. It has a balanced blend of Tradition and Modernity. It has been inspiring students with its quality education. Students have been chiseled to become intelligent citizens who strongly imbibe the spirit of morality. It has been growing like a royal banyan passing its Centenary Year. The University Grants Commission UGC had notified Regulations for recognition of our college under Section 2(f) & 12(B) of the UGC Act, 1956.

B.Com Banking Management deals with the concepts of commerce and the trades or businesses. It is a Three-year UG degree course started in the year 1996, that focuses on the basic understanding of financial accounting, business management, financial management, statistics, etc. Candidates having a flair interest in banking and having research-oriented technical expertise with a strong rational mind can choose a B.Com Banking Management course for their graduation. Candidates who have completed 10+2 education with a relevant stream are eligible for the course. and the management students can also go for MBA after completing this course.

## **ABOUT THE DEPARTMENT**

B.Com Banking Management is a Three year undergraduate degree course which deals with subjects such as financial accounting, banking, commerce, business economics, and marketing. This course is mainly pursued by candidates who are interested in banking subjects and have an interest in accounting-related financial activities.

## **COURSE OBJECTIVES**

It is a combination of both practical and theoretical ways of learning the subject and a calculative approach based on the systemic method. This course is designed in such a way that majorly focuses on all the aspects of banking to provide the candidates a thorough knowledge about the subject.

Business economics paper, accounts, and financial management, business economics, communication, services marketing, statistical and mathematical are some of the advanced lessons of the course.

Candidates who have a zeal towards banking and want to get the lessons of finance, investing, commercial, management can opt for this course. Candidates after completing their course in Bachelor of Commerce Can go for higher education in the same fields like M.Com or PGD

### **REPORT**

#### **ONE DAY STATE LEVEL WORKSHOP ON**

#### **“DEVELOPMENT OF ENTREPRENUR GROWTH IN TAMIL NADU”**

**DATE: 15<sup>th</sup> July 2022 @ 10.30 AM**

Around the globe, Entrepreneurs plays an important role in the Economic development especially developing countries needs more attention towards the development of entrepreneurship, to trigger the entrepreneurial activities in India, A government of India plays an important role by proposing the conceptual framework of Entrepreneurship. Apart from initiatives of state and the central government there is a need for extra vibrant to trigger entrepreneurship, but the entrepreneurship differs in all the segments, like location, income, Education, community. In all the segments entrepreneurs play a vital role in stimulating a related business to support a new venture to a prosperous society. The successful entrepreneurs change the lifestyle of the society by innovating a unique flourished new goods and services to the greatest possible extent to the society, cascading the lifestyle of the people entrepreneur's innovations may create a wealth improvement to the society, in the context of the globalization and industrialization there is a need to analyze a successful and unsuccessful of the entrepreneurs, thus the theoretical research study has been proposed.

After the independence, India was changed in various fields; especially the Indian government was much focused in the change of society, where the government has introduced the number of GOI schemes and development projects through various sources to arrest the poverty. In the year of 1993, a chaired person Lakdawala examined a poverty line in India. He has noticed the regional economic differences between the regions. In 1994 Mr.S. G. Dutt has estimated the national poverty rate as a 33% with Rs 49 per capita. But the year of 2009 -2010 according to the Methodology adopted by Suresh Tendulkar Committee it was 29.6%

approximately 354 Millions of the population, In 2014 Rangarajan Committee estimates around 38.2%. But still, the Redline (Poverty) of the people was dominating the society mostly in the rural and urban areas particularly with the uneducated or the people who involved in the Agriculture sector which the peoples are in arid plains. Apart from the redline tagging communal, religion & regional riots and disharmony is also a giant Demon in the underline society. In the context of the above, the various surveys and the estimates are undertaken by the government and the social reformers to develop the entrepreneurship to encounter the redline. The Development of entrepreneurship can change the colour of redline, which begins from their family to society, and from society to many ways to the nation by education, economic stability and equality and it will occur in the development of the country by recognizing the equality and the abilities in the development of the education and the value of economics as a whole.

India is the 7th largest country and second most populated country in the world, Trading is the Main source for the Business Environment, According to the history the Great Emperor of Chola Dynasty Raja Raja Cholan records the ancient Business of trading in the world, from that date itself Entrepreneurship Development are much focused in various reforms, thus the entrepreneurship plays a major role in the development of the Nation Economy, in another side the increase of population causes the unemployment, poverty, always the poverty knocks the door of literacy, which the situation may hit an unimaginable position. To restrict it, the Indian government has initiated many steps, in which Entrepreneurs development will play a major role in the development of India and the national economy. The fourth largest state of India (Tamilnadu) has a diversified development in various sectors through TIIC(Tamil Nadu Industrial Investment Corporation Limited), TIDCO (Tamil Nadu Industrial Development Corporation Ltd) , SIPCOT (State Industries Promotion Corporation of Tamil Nadu) , TANSIDCO (Tamil Nadu Small Industries Development Corporation Limited) which plays a major contribution in the development of entrepreneurs by supporting financial assistance. The Entrepreneurs development results in the second place in a major contribution to India Economy,

India**

**ABOUT THE COLLEGE**

Success is assured by the right choice of an educational institution. The spirit of the institution has the power to influence the personality of the learner. A sound institution alone can give a sound knowledge to the students. That is why very few institutions alone can stand the test of time. Ganesar College of Arts & Science, Melasivapuri, has been a radiant star shining in the firmament of education since 1909. It has a balanced blend of Tradition and Modernity. It has been inspiring students with its quality education. Students have been chiseled to become intelligent citizens who strongly imbibe the spirit of morality. It has been growing like a royal banyan passing its Centenary Year. The University Grants Commission UGC had notified Regulations for recognition of our college under Section 2(f) &12(B) of the UGC Act, 1956.

B.Com Banking Management deals with the concepts of commerce and the trades or businesses. It is a Three-year UG degree course started in the year 1996, that focuses on the basic understanding of financial accounting, business management, financial management, statistics, etc. Candidates having a flair interest in banking and having research-oriented technical expertise with a strong rational mind can choose a BCom Banking Management course for their graduation. Candidates who have completed 10+2 education with a relevant stream are eligible for the course. and the management students can also go for MBA after completing this course.

## **ABOUT THE DEPARTMENT**

B.Com Banking Management is a Three year undergraduate degree course which deals with subjects such as financial accounting, banking, commerce, business economics, and marketing. This course is mainly pursued by candidates who are interested in banking subjects and have an interest in accounting-related financial activities.

## **COURSE OBJECTIVES**

It is a combination of both practical and theoretical ways of learning the subject and a calculative approach based on the systemic method. This course is designed in such a way that majorly focuses on all the aspects of banking to provide the candidates a thorough knowledge about the subject.

Business economics paper, accounts, and financial management, business economics, communication, services marketing, statistical and mathematical are some of the advanced lessons of the course.

Candidates who have a zeal towards banking and want to get the lessons of finance, investing, commercial, management can opt for this course. Candidates after completing their course in Bachelor of Commerce Can go for higher education in the same fields like M.Com or PGDBM.

### **REPORT**

#### **ONE DAY STATE LEVEL WORKSHOP ON “INTELLECTUAL PROPERTY RIGHTS IN ENTERTAINMENT MARKET RESEARCH”**

**DATE: 13<sup>th</sup> MARCH 2023 @ 10.00 AM**

The aim of this research will therefore be to draw a relationship between the use and the ownership of intellectual property rights in the entertainment industry. It will seek to study the authenticity in the scope of the use of these rights by the users. Though the subject matter of legitimacy of ownership and use of copyright in the industry is divergent, my basic interest would be to study and investigate the various ways with which users of the same rights portray extra-ordinary and excessive use of their rights as required by the owners. The subject matter of this research interest comes out at the verge when the entertainment industry is beckoning of an inactive support by the customers which is even threatening their success and profitability margin.

The research findings from this activity are fundamentally crucial in developing a cognitive knowledge for use and application in the industry. Since excessive use of copyrights has been a subjective and fundamental area of concern, every rational research findings will help to provide an authentic support of rationality in defining matters of importance in the legitimacy between the ownership and the use of intellectual property rights in the entertainment industry.

Though the concept of copyright ownership and usage is ideally diverse, the course reason of this research project will be to study the various way and methods involved by the users of entertainment products which are an excess to what is required of them by the producers. This will basically imply the limit in the scopes of the research activity.

The basic and to a broad phenomenon objectives of the research activity would be to draw a research finding on the basic entitlements of the rational factors behind intellectual property relationships between the users and the owners. Elsewhere, this will be a concise activity aimed at studying the fundamental relationship behind the ownership and the use of copyrights in

entertainment. It will be a study and investigation activity on the authenticity allied to the scope with which the use and the ownership of these rights is exercised and whether the same use is rationally excessive or not.

The target population of this research will be the users of any entertainment products. Subjecting the choice of entertainment products is however coupled by the understanding that they are compounded by various fringe conditions on their use and consumption. Any extra-ordinary use above what is provided by the producers is legitimately excessive. Targeted population will however be indiscriminative in terms of gender, age, race, religious autonomy, and geographical placement above others. (Cross et al, 1996)

For adequate research findings, an adequate sample and data collection remains important. To reduce the risk premium however, a large sample of one thousand (1000) respondents will be interviewed.

On adequate data collection, clarity on the research expectations by the participants remains critical. However, in every support of the same, the interview will commence by creating a rapport in which case a clear explanation of the research entitlements will be provided. Respondents will be given a clear intention and purpose of the research.

# SPSS DATA ENTRY – HANDS-ON TRAINING FOR BEGINNERS

The workshop on SPSS Data Entry – Hands-on Training for Beginners was conducted on 16th March 2023 by the Department of Commerce, Ganesar college of arts and science, Melaisivapuri.

Research is the best and most reliable way to understand human issues. It is widely regarded as providing benefits to individuals and the local, regional, national and international community. Working on a research project will be a challenging task for the researcher. In a current scenario, a research project and writing a thesis is one of the most important components of PG and Ph.D. studies. Project work or thesis making is a potential area where the students or scholars find it very challenged by lack of structured guidance.

In short, research is an integral part of the education system which involves the process of learning, obtaining information, and developing new theories for the betterment of individuals or groups. Hence Postgraduate students must enhance and promote the notion of research by developing key ideas. Hence the motive behind this is to help beginners to know about the software and get started. This workshop provides a good base for the post-graduate students towards their project writing. SPSS is a comprehensive and flexible statistical package used for social science research. It helps to obtain valuable information from the data and facilitates addressing the challenges.

The training started with an introduction about research, why research is important for Postgraduate students, what are the various types of research and the process of research. The resource person also touched the measurements and various scales attached. Nominal scales, ordinal scale, interval scale, and ratio scales purpose and guidelines also explained clearly with suitable examples. The workshop also focused on the importance of questionnaires, how to frame good questionnaires, Do's and Don'ts towards forming questionnaires, etc. The hands-on training session started with an introduction about SPSS software, its functions, data view, variable view, the syntax used, etc.,

A structured questionnaire with a job satisfaction-related topic has been shared among the participants along with data coding sheet. The circulated questionnaire consists of 11 demographic questions and also 10 job satisfaction relation Likert scale questions which depict a clear understanding about the study area. The participants entered the sample responses collected in SPSS datasheet by them and which helps to understand fundamental concepts towards entering the data in the spreadsheet in connection with the nature of the variable.

Finally, basic statistical tools have been explained along with the small introduction towards hypothesis framing, level of significance, type I and type II errors, and degree of freedom. Descriptive statistics, frequency distribution, crosstabulations, t-test, f test, ANOVA, chi-square are some of the fundamental tools which have been explained with clear thought about analysis and interpretation. The hands-on training program was a tool for building knowledge and facilitating learning through SPSS for the Postgraduate students who are in need to give suggestions and conclusion for the specific problem identified for research study in order to fulfill their academic requirement.

## **Key Objective:**

- Create Familiarity about SPSS and its application in research work
- Provide basic knowledge about structuring questionnaires and measurements
- A solid foundation for data entry using SPSS
- Perform basic statistical analysis and interpretations
- Program Content:
- Demonstration of SPSS Software
- Importance of SPSS towards research

**Structuring questionnaire:**

- Fundamentals about measurement scales
- Data preparation, validation, and selection
- Data entry and variable view
- Fundamental tools – Descriptive analysis, Frequency distribution, t-Test, ANOVA, Cross tabs, Chi-square
- Analysis and interpretation
- Graphical representation

**Workshops methodology:**

- Demonstration using SPSS software
- Statistical theory
- Lectures and discussion
- Key study materials and PPT
- Hands-on training

**Training outcome:**

- Familiar with basic SPSS functions
- Ability to input data and examine individual variables
- Understand basic statistical tools
- Gain knowledge about analysis and interpretation

# **GANESAR COLLEGE OF ARTS AND SCIENCE**

## REPORT

Title of the Workshop : **DATA SCIENCE**

Name of the Organizing Department: Department of Computer Science

Name of the convener : Mr.R.Raja  
Head of the Department

Name Of the Co-ordinator : Mr. PL.Sudha

Date of the programme : 16 Sep, 2022

Target groups : UG Students

No of Participants : 147

One day workshop has been organized by the department of computer Science on 16-09-2022 allied With IQAC. The one day workshop programme has started with Tamil Thai Vazhthu there after Professor R.Raja has been delivered welcome address and Sanmarga sabai president Thiru C.Nagapan ayya has delivered presidential address followed by Thiru RM.Ramanapriyan (Secretary College Committee president), Thiru A.Swaminathan (President, College committee), Thiru PL.Swaminathan (Secretary Sanmarka sabai) and Dr.Sivasornam Principle of our College are delivered the facilitation address Dr S.Karthikeyan , Assitant Professor in computer Science from Theni Kanmavar Sangam College of Arts and Sience, Theni has delivered Special Address regarding Data Science. Finally III B.Sc (CS) Student Miss B.Jeayalakshmi has delivered vote of thanks.

### **ABOUT THE COLLEGE**

Ganesar College of Arts and Science are conceptualised with a spirit of service to the rural society in the year 1909. Our students, who got educated and their personality developed here and who have been serving in every walk of life, have been bringing more laurels to our College.

### **ABOUT THE DEPARTMENT**

The Department of Computer Science blossomed as one of the premier centre for computer education in the year 1996. The department offers B.Sc. degree programme in Computer Science which are affiliated to Bharathidasan University. To provide students with strong foundational concepts and also advanced techniques and tools in order to enable them to build solutions or systems of varying complexity.

### **ABOUT THE DATA SCIENCE**

Data science is the study of data to extract meaningful insights for business. It is a multidisciplinary approach that combines principles and practices from the fields of mathematics, statistics, artificial intelligence, and computer engineering to analyze large amounts of data. This analysis helps data scientists to ask and answer questions like what happened, why it happened, what will happen, and what can be done with the results.

## ABOUT THE COLLEGE

Ganesar College of Arts and Science was established in the year 1909 by Revered Patrons Palaniyappar and Annamalaiyar at Melaisivapuri, a remote rural village in Pudukkottai district in Tamilnadu, India. The college is affiliated to Bharathidasan University, Trichy. The college provides quality higher education to the rural mass of students, especially the backward and poor, to impart knowledge in them and to enhance their skills and thereby enabling them to be enterprising, professional and valuable citizens of the country. The college provides extra-curricular activities and programs for the students to develop their personality and individual talents. It provides facilities for the development of an integrated personality.

The College offers the following UG and PG Degrees, Diploma and Certificate Courses and Research Programme.

### UG Courses

B.Lit. Tamil

B.A English

B.Sc Maths

B.Com

B.Sc Computer Science

B.Sc Physics

### PG Courses

M.A Tamil

M.A English

M.Sc Maths

M.Com

M.Phil Tamil

Ph.D Tamil

B.Com (Bank Management)

B.S.W

Diploma in Yoga, Certificate Course in Tally (ERP9) Certificate Course in Librarian Science

## ABOUT THE DEPARTMENT

The Department of English was started in the year 2011. From since its inception, the department has been to produce English graduates of high caliber. The Department is strengthened by academically well qualified and experienced faculty members who consistently and dedicatedly involve themselves in teaching and interestingly participate in various national and international forums to make them updated with the current issues in English domain which ultimately benefit our students.

## ABOUT THE WORKSHOP

Creative speaker takes a lot of Hard work but there are few things that stretch your imagination and storytelling abilities as well. It isn't always given the respect it deserves as a topic of study, but learn a set of valuable and transferable skills if you take a creative speaker.

Orators with good story telling skills keep their audience entertained by allowing them to form an image in their mind, which helps them to memorize the content. Involving storytelling

in speeches can show your humane side and increase the interest of the audience.

The skills of good speaker

- Eye contact
- Body posture
- Body movement
- Gestures
- Articulation
- Vocal emphasis and variety
- Silence, pauses before, during and after the speech
- Hooks and Rhetorical devices.

The Department is strengthened by academically well qualified and experienced faculty members who consistently and dedicatedly involve themselves in teaching and interestingly participate in various national and international forums to make them updated with the current issues in English domain which ultimately benefit our students.

## ABOUT THE WORKSHOP

Choosing topic for thesis is the first step in making sure your research goes as smoothly as possible. When choosing a topic, it's important to consider.

- Requirements of your institution and department's
- Your areas of knowledge and interest

- The scientific, social, or practical relevance
- The availability of data and resources
- The time frame of your desertion.
- The relevance of your topic

When deciding on a topic, there are a few things that you will need to do; Brainstorm for ideas. Choose a topic that will enable you to read and understand the articles and books you find. Ensure that the topic is manageable and that material is available, etc.

In deciding topic a few things are needed to be done by your ideas for transforming select a topic that will towards thesis writing which makes sure of one's travel on the path to the destination of research. The following points are important to be considered for the selection of thesis topic.

## About Department

The Department of Fashion Technology and Costume Designing is a pioneer in the field, launching a three-year Bachelor's Degree in fashion education in year 2022. Aspirants who have an eye for design and color and wish to rely on their creativity and style can consider these fashion programmes. The tenure here equips them of career, through the study of the history of fashion, art and design, color and other technical aspects of this discipline to develop their skills and meet the needs and challenges of the present. The department ensures quality and up to date learning within a reasonable fee structure. While students have the opportunity to learn under the guidance of proficient faculty members with academic excellence and professional experience in their areas of specialization, they also have access to well-equipped labs and excellent infrastructure

## Objective

Glass painting gives the presence of a fairy-tale. It is also been referred to as a glass art or stained glass. Glass art amplifies its beauty when the light passes through it. Glass Painting is been a mode of expression and creativity.

## About the Workshop

The workshop aims to teach students to identify different materials and how to create works of art using simple materials. We used glass panels and acrylic colors, and we used simple designs that are easy to implement, inspired by the deconstruction method.

# **GANESAR COLLEGE OF ARTS AND SCIENCE**

## **Department of Fashion Technology and Costume Designing**

**DATE : 31<sup>st</sup> January 2023**

**NO OF THE PARTICIPANTS : 28**

**VENUE : Fashion Technology Lab**

We are pleased to inform you that a one-day hairdo workshop will be held on January 31, 2023, at the Fashion Technology Lab. This workshop aims to enhance your strength and make you look more appealing. It is a collaborative effort between our institution and the English department. The workshop will be conducted by our esteemed chief, **Ms, S.Deepa**, who will teach participants the fundamental techniques of hairstyling. One of the key objectives of this workshop is to enable individuals to express their personal style, creativity, and individuality.

### **SYLLABUS**

#### **HAIR STYLING BASICS**

- ⇒ Detailed product knowledge
- ⇒ Detailed knowledge of tools
- ⇒ Blow dry
- ⇒ Sectioning
- ⇒ Hair pressing
- ⇒ Back combing

#### **HAIR STYLING TECHNIQUES**

- ⇒ Braids
- ⇒ Layering
- ⇒ Knots and bows
- ⇒ Hollywood waves
- ⇒ Multiple front variations

### ABOUT THE WORKSHOP

This workshop to assist beginners in acquiring fundamental hairstyling techniques, particularly for individuals with limited knowledge in hairstyling. This knowledge can serve as a means to save costs in hiring an additional individual to address your hairstyling needs during your hair and makeup appointments. Additionally, the workshop aims to enhance our understanding of the various components found in hair products, empowering us to make well-informed decisions. The ability to interpret and comprehend ingredient labels, as well as manufacturers' marketing and labeling strategies, is a valuable skill that we should strive to master. Selecting suitable products for your hair type entails more than simply purchasing what is readily available or popular; it requires considering your lifestyle, hair care routine, and, naturally, your budget.

### ABOUT DEPARTMENT

The Department of Fashion Technology and Costume Designing is a pioneer in the field, launching a three-year-Bachelor's Degree in fashion education in year 2022. Aspirants who have an eye for design and color and wish to rely on their creativity and style can consider these fashion programmes. The tenure here equips them of career, through the study of the history of fashion, art and design, color and other technical aspects of this discipline to develop their skills and meet the needs and challenges of the present. The department ensures quality and up-to-date learning within a reasonable fee structure. While students have the opportunity to learn under the guidance of proficient faculty members with academic excellence and professional experience in their areas of specialization, they also have access to well-equipped labs and excellent infrastructure.

### **GLASS PAINTING WORKSHOP**

**DATE** : 16.09.2022  
**VENUE** : Fashion Technology Lab  
**NO OF THE PARTICIPANTS: 28**

The students should experience significant improvement in their knowledge and skills in the field of visual art through demonstration and sufficient opportunity demonstration and sufficient opportunity provided during the class. A workshop led by Chief Miss K.Muthulakshmi is scheduled to take place on 16<sup>th</sup> September 2022 at the Fashion Technology Lab. The workshop will focus on fostering individual artistic directions and exploring different techniques in warm and hot glass exploration, as well as covering fundamental techniques in off-based glass blowing and lamp working.

#### **COURSE OBJECTIVES:**

- ⇒ Preparation and maintenance of tools and equipment. Development of fundamental understanding of the material properties of molten glass.
- ⇒ Be able to combine personal concept with basic molten glass working processes to create an original visual image.
- ⇒ Acquire a working knowledge of nomenclature and terms related glass as evidenced by a short final quiz.
- ⇒ Have basic skills in traditional offhand glass blowing and glass grinding and polishing.

## ABOUT COLLEGE

Success is assured by the right choice of an educational institution. The spirit of the institution has the power to influence the personality of the learner. A sound institution alone can give a sound knowledge to the students. That is why very few institutions alone can stand the test of time. Ganesar College of Arts & Science, Melasivapuri, has been a radiant star shining in the firmament of education since 1909. It has a balanced blend of Tradition and Modernity. It has been inspiring students with its quality education. Students have been chiseled to become intelligent citizens who strongly imbibe the spirit of morality. It has been growing like a royal banyan passing its Centenary Year. The University Grants Commission UGC had notified Regulations for recognition of our college under Section 2(f) & 12(B) of the UGC Act, 1956. The user then gives their

Our College has been a temple of wisdom, where scholars undertake intellectual pilgrimage to glorify the Classical Tamil. Realizing the fact that Tamil and Saivism are inseparable twins, our College has been rendering services, which are historically, socially and intellectually significant. If we have a glance at the history of our

old students who got enlightened in this renowned institution, we can realize the praiseworthy standard of our College. Our students, who got educated and their personality developed here and who have been serving in every walk of life, have been bringing more laurels to our College. Our students get University Ranks in every Academic Year.

In offers the main core paper such as operation research, analysis, calculus, modelling, topology, automata, fuzzy and also offer papers to skill development, economic of transportation and application courses for the other department.

Majority of the students OBC/SC/ST are coming from village

## ABOUT DEPARTMENT

Mathematician seek out patterns and use them formulate new conjectures. Mathematician resolve the truth or falsity of conjectures by mathematical proof.

Under graduate programme B.Sc maths was started in the year 1994 and post graduate programme M.Sc maths was started in the year 2005

**Sequence and series**  
sequence and series are the basic topics in Arithmetic. An itemized collection of elements in which repetitions of any sort are allowed is known as a sequence, whereas a series is the sum of all elements. An arithmetic progression is one of the common examples of sequence and series.

In short, a sequence is a list of items/objects which have been arranged in a sequential way.

A series can be highly generalized as the sum of all the terms in a sequence. However, there has to be a definite relationship between all the terms of the sequence.

## ABOUT THE COLLEGE

Ganesar College of Arts and Science is situated in the village Melasivapuri which is near to the historical city Parambu Nadu (Piranmalai) ruled by the lord of the hill country Vallal Vel Pari. It is a remote area, which is a drought-prone one. While struggling to keep their body and soul together, it was impossible for the people to spend money for the education of their children. Realizing the misery of the people of this area, two kind hearted patrons from the family of V. PL. S., came forward to light the light of education. Sanmarga Sabai was registered under the Societies Act XXI of 1860 on 13th May 1909. V.PL.S. Palaniappa Chettiar and his brother V.PL.S. Annamalai Chettiar founded the Sanmarga Sabai and Ganesar Senthamil Kalloori. It is one of the primordial colleges of Tamil Nadu and now the congregation (Sanmarga Sabai) multiplied and gowned for more than a century with the harbouring support of the brother's descendants.

## Ganesar College of Arts and Science ("B" Grade Accredited by NAAC) Melaisivapuri-622 403

### Department of Physics

**23 Feb, 2023**

#### ABOUT THE DEPARTMENT

Ganesar College of arts and science is one of the famous colleges and it has a long term tradition and antiquity. The Physics Department was started in 1996 as a part of Computer Science Department in Ganesar College of Arts and Sciences. Considering the importance of Physics in the modern world, Physics Department was converted into a separate department from 2015. In 2020, its laboratory was expanded for students' improvement. The physics department is working for rural students to improving their science knowledge and researching ability.

## Workshop On Analysis Of Vibrational Spectroscopy

# Ganesar College of Arts and Science, Melaisivapuri-622 403

("B" Grade Accredited by NAAC)

## Department of Physics

**2022-2023**

Topic : Workshop on Analysis of Vibration Spectroscopy  
Date/Venue : 28/02/2023, Shanmarga sabai, Ganesar College of Arts & Science  
No of Participants : 46  
Resource Person : Dr.M.Dhanabalan,  
Asst Prof of Physics,  
JJ College of Arts & Science,  
Pudukkottai.

**Ganesar College of Arts and Science, Melaisivapuri-622 403**  
(“B” Grade Accredited by NAAC)

**Department of Physics**

**2022-2023**

Topic : Workshop on Analysis of Vibration Spectroscopy  
Date/Venue : 28/02/2023, Shanmarga sabai, Ganesar College of Arts & Science  
No of Participants : 46  
Resource Person : Dr.M.Dhanabalan,  
Asst Prof of Physics,  
JJ College of Arts & Science,  
Pudukkottai.

About the Workshop : There is a continuing need for Fourier transform infrared (FT-IR) users to receive training in how to interpret the infrared spectra they measure. This new column will provide practical advice about how to do this. This first installment will present why this type of column is important, discuss some basic IR theory, and lay out a blueprint for future installments.

### One day Workshop ON Mantra for Successful Entrepreneur

Date : 24.08.2022

**GANESAR COLLEGE OF ARTS AND SCIENCE**

*UGC Recognized u(f) and u(B) Institution*

*Affiliated to Bharathidasan University*

Melasivapuri - 622 403, Ponnamaravathi, Tamil Nadu, India

#### **ABOUT THE COLLEGE**

Success is assured by the right choice of an educational institution. The spirit of the institution has the power to influence the personality of the learner. A sound institution alone can give a sound knowledge to the students. That is why very few institutions alone can stand the test of time. Ganesar College of Arts & Science, Melasivapuri, has been a radiant star shining in the firmament of education since 1909. It has a balanced blend of Tradition and Modernity. It has been inspiring students with its quality education. Students have been chiseled to become intelligent citizens who strongly imbibe the spirit of morality. It has been growing like a royal banyan passing its Centenary Year. The University Grants Commission UGC had notified Regulations for recognition of our college under Section 2(f) & 12(B) of the UGC Act, 1956.

#### **ABOUT THE DEPARTMENT**

Social work profession is to enhance human well-being and help to meet basic and complex needs of all people, with a particular focus on those who are vulnerable, oppressed, and living in poverty. Department of social work was started on 2018. The department of Social Work is committed to building a socially just society, defined as one that upholds and validates the values of equality, diversity, inclusiveness, democracy, and concern for human welfare.

## Report on Communicative English Workshop: English for Career Proficiency

### **Introduction**

The English for Career Proficiency workshop, organized by Dr. M. Subarna and Dr. V. Nithya Kalyani from the Placement Cell of Ganesar College of Arts & Science, aimed to elevate the language skills of final year undergraduate and postgraduate students. Held on 21st March 2023, from 10:00 am to 3:30 pm, at the college campus in Melasivapuri, Pudukkottail, Tamil Nadu, India, the workshop was a significant endeavor supported by notable patrons and distinguished personalities.

### **Workshop Overview**

Commencing with a warm welcome address by Dr. V. Nithya Kalyani, Assistant Professor of Tamil, the inauguration witnessed an insightful speech by Dr. M. Selvaraju, Principal of Ganesar College. Mr. S. Nagappan, President of Sanmargasabai and Self-finance Section, emphasized the importance of language proficiency in his presidential address. Felicitations were extended by Mr. C. Rm. Ramanapriyan, Secretary of the College Committee, and Mr. PL. Sawminathan, Secretary of Sanmargasabai and Self-finance Section.

### **Keynote Sessions and Resource Person**

Dr. V.A. Palaniappan, Assistant Professor and Head of the Department of Tamil, set the tone with a compelling keynote address. The main sessions were conducted by the esteemed resource person, Dr. R. Karthick Babu, Assistant Professor and Head (also a Soft Skills Trainer) from SRM Arts and Science College, Tiruchirappalli. The sessions centered around the theme "English for Career Proficiency," covering essential aspects crucial for career development through language enhancement.

### **Participant Engagement and Learning**

Students in their final year of undergraduate and postgraduate studies actively engaged in the workshop, participating in discussions, activities, and exercises tailored to improve their English language skills. The interactive nature of the sessions provided a conducive environment for learning and skill refinement.

### **Valedictory Session and Certificates**

The valedictory session concluded with an address by Mr. A. Swaminathan, President of the College Committee, appreciating the dedication of both participants and organizers. He expressed gratitude and distributed certificates to all attendees, acknowledging their commitment to enhancing their English proficiency.

### **Conclusion**

The English for Career Proficiency workshop, orchestrated by Dr. M. Subarna and Dr. V. Nithya Kalyani from Ganesar College of Arts & Science, Placement Cell, provided an invaluable platform for students to refine their language skills, a pivotal asset for their future professional endeavors. The collaboration between speakers, faculty members, and enthusiastic participants underscored the workshop's success in fostering linguistic proficiency among the attendees.
